DO Letter No ATI/2394

Patna, Dated...24/03/2022

*Dear Ms Rajul,*

**Subject: Regarding DoPT Courses in BIPARD, Gaya**

The BIPARD is an autonomous society of the Government of Bihar which was created by merging the State ATI (Administrative Training Institute) and the State Institute of Rural Development (SIRD). It is in existence since 2005 and has been responsible for training of the officers and other employees of the State Government. We impart training not only to the IAS officers but all the other State level gazetted services recruited through Bihar Public Service Commission and Bihar Staff Selection Commission. We have been notified by the State Government as the Nodal Training Institute of the State and we are mandated to conduct Training Needs Analysis (TNA) of each department of the State and impart training as per the TNA.

The BIPARD has recently opened its sprawling new campus in Gaya district and have started conducting Training Courses from 2nd October 2022. The new BIPARD campus has 400 hostel rooms with attached bathrooms, 56 number of suites, 12 lecture halls, 3 lecture theatres equipped with digital interactive screens and computer labs with 800 computers.

We have adequate number of in-house academic faculties in the fields of law, artificial intelligence, block-chain, organizational behaviour, communications and environmental sciences. To supplement our efforts, we have entered into MOUs with various institutions of repute like TISS Mumbai, IIPA New Delhi, IIM Bodh Gaya, IIM Calcutta, NALSAR Hyderabad, NLU Bangalore, GNLU

Gandhinagar, NLU Bhopal, NLU Delhi, NIRD Hyderabad, NIFM Faridabad and YASHADA Pune. We have conducted workshops/modules, including knowledge trips with these institutes.

We are keen to enter into a partnership with the DoPT and conduct courses run by the DoPT, particularly the one-week in-service programme. We would be happy to offer following one week in-service courses for officers sponsored by the DoPT:-

- Executive Certificate Programme in Organizational Behaviour.
- Executive Certificate Programme in Public Policy.
- Executive Certificate Programme in Artificial Intelligence & Machine learning.

We would be too happy if DoPT agrees to include the above courses in its Training calendar for the year 2023-24 and send nomination of officers to BIPARD Gaya. We would also request the DoPT to send its team to BIPARD, so as to have a first-hand assessment of our ability to conduct such courses.

We also offer to conduct Foundation Course (FC) of direct recruits of UPSC in collaboration with LBSNAA.

I shall be too happy to have further discussion on the matter in person or through video conferencing to finetune the modalities.

*Regards*

Yours Sincerely

(K.K. Pathak)

To,

**Ms Rajul Bhatt,**  
Joint Secretary,  
Training Division, 3rd Floor,  
Block-4, Old JNU Campus,  
New Mehrauli, New Delhi-110067.
